*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

I think mandalas are beautiful and amazing, but I ve never really enjoyed coloring them.too stiff, too perfect somehow for my taste. So when I found a way to make an outline of a mandala and fill it with my own flowy art, now that was exciting! And, super fun to create and more importantly, color!
