

National Trust: The Secret Diary of John Drawbridge, a Medieval Knight in Training (Paperback)

By Philip Ardagh

Nosy Crow Ltd, United Kingdom, 2017. Paperback. Condition: New. Jamie Littler (illustrator). Language: English . Brand New Book. John Drawbridge has moved to Widemoat Castle to learn to become a knight. And there is a LOT to learn. . . How to charge with a lance on horseback without falling off. Why the spiral staircases always go up in a clockwise direction. How to defend the castle against invading parties. Why the plates served at banquets are made of stale bread (and why you shouldn't eat them.). And much, MUCH more. So it's no wonder that John decides to keep a diary (even if it is only an imaginary one.) of his time at the castle. Things REALLY live up when the castle is attacked by an invading Welsh party - but can John foil their plot before it's too late.?
