Summersdale Publishers, United Kingdom, 2012. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. Travelling across the former Soviet Union is a challenge at the best of times - but in a dilapidated VDub.that s got to be plain daft.hasn t it? I was in my prime, hungry to make a mark on the world, yet I was making ends meet by delivering egg and cress sandwiches on a bicycle with a bent axle to condescending office workers. Gainful employment in the ex-Soviet Union was a dream come true. A chance job offer at a timber yard in Estonia gives Thom and his old pal Jo a taste for the unknown. So when Uncle Tony asks them to drive to Vladivostok for another job, they can t think of a good reason why not. The result is a classic caper across the former Soviet Union in Max, a rusty old VW camper. Knowing little of the language or the geography ahead, they embark on probably the longest commute ever, encountering corrupt officials, film star mechanics and over-friendly gangsters. Far off the tourist trail, they bear witness to the collapse of one nation and the birth of a new one during the free-for-all that was Russia in the nineties.
