Written for the Christian who may have strayed from Lord, and cannot find their way back. This evangelistic tool will also hold the interest of the non-believer, from start to finish. For those who have been hurt or scarred in or by Christians, churches, or Christian organizations, this is a must read for those who have fallen and can't get up! As a former police officer, bodyguard, D.C. lobbyist, and radio talk show host, Steve tells the story of his life with a self-help approach that is certain to encourage the reader. From the pinnacle of success to absolute ruin and public scorn; from breaking his neck to coming back years later and winning a state racquetball championship; and from running one of the most heated congressional campaigns in the country, to losing almost everything in his life (again.) Steve holds nothing back in sharing the biblical, life lessons, he has learned.
