Brand New Book. I m fed up with the old boys club! Dot pounded a fist on the table. We need a woman minister this time! There s a lot to love about the women of Saint Lydia s in San Francisco. Head Beacon Beka and her sidekick Dot turned out to be very good at getting rid of a predatory male pastor. Female church leaders were rare in 1976, but they found an ordained woman to shepherd their flock. The five Beacons, their prickly minister and a young Mexican prostitute all took risks, made mistakes and followed their hearts to set a wild new course for their historic interracial, interdenominational congregation in The City. Judith Favor s novel lives next door to Armistead Maupin s San Francisco of the Seventies. In The Beacons we glimpse a radical Christianity--radical because women took over leadership of an interracial church. Favor gives an insider s look at what happened in a place few of us have imagined. --John Brantingham, author of Let Us All Now Pray to Our Own Strange Gods Judith Favor offers us a delicious, saucy slice of mid-70s San Francisco. The Beacons provides generous servings of the beautiful city plus a kaleidoscope of characters, lifestyles and spiritual practices. Deeply textured and finely tuned, this novel crackles with lively energy. --Mary Atwood, Episcopal priest.
