Reviews

It is one of the best publications. It is definitely simplistic but exciting in 50% of the eBook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.
(Dr. Anya McKenzie)

DROIT INTERNATIONAL HUMANITAIRE

[DOWNLOAD](#)

ACADEMIA, 2010. Paperback. Condition: NEUF. L'ouvrage montre l'universalité de l'une des branches fondatrices du droit international public. Il justifie son intérêt à partir du moment où l'interdiction du recours à la force par la Charte de l'ONU n'a pu effectivement enrayer le fléau de la guerre. L'auteur est ainsi amené à exposer méthodiquement les règles qui atténuent la conduite des hostilités au bénéfice de la personne humaine. Il s'agit d'une part des règles applicables au conflit armé international, d'autre part des règles valables pour le conflit armé interne. Par ailleurs, l'ouvrage étudie la mise en oeuvre du droit des conflits armés dans des situations où l'animalité a subjugué la rationalité. Au-delà du rappel des normes gouvernant la matière, il confronte systématiquement la théorie à la pratique telle que l'a expérimentée l'auteur. On découvre ainsi une approche critique nouvelle mettant clairement en lumière les contradictions entre les textes, les discours juridiques et les réalités. Sa lecture se trouvera encore plus stimulée lorsqu'on aura à l'esprit que cet ouvrage constitue l'apport d'un membre d'une des cultures longtemps méconnues. Enfin, l'ouvrage se trouve enrichi par plusieurs index et la reproduction de documents inédits. - Poids : 675g - Genre : Relations et Droit international.
