

The Diverting History of John Gilpin (Illustrated Edition) (Dodo Press) (Paperback)

By William Cowper

Dodo Press, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.William Cowper (1731-1800) was born in Berkhamsted, Hertfordshire, England. He was an English poet and hymnodist. One of the most popular poets of his time, Cowper changed the direction of 18th century nature poetry by writing of everyday life and scenes of the English countryside. His major works are: Olney Hymns (1779), in collaboration with John Newton, John Gilpin (1782), The Task (1785), and Homer's Iliad and Odyssey (1791) (translations from the Greek). He suffered from periods of severe depression, and although he found refuge in a fervent evangelical Christianity, the source of his much-loved hymns, he often experienced doubt and fears that he was doomed to eternal damnation. However, his religious motivations and association with John Newton (who wrote the hymn Amazing Grace) led to much of the poetry for which he is best remembered in the popular mind.

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Adell Lubowitz

Unquestionably, this is actually the finest operate by any publisher. I have study and i also am confident that i am going to planning to go through once more yet again in the foreseeable future. I realized this pdf from my i and dad recommended this book to understand.
