Dimensions: 8.0in. x 5.0in. x 0.1in.Who knew when they placed their money in the collection plate Sunday morning they were financing the removal of prayer from Americas schools and giving aid and comfort to the Communist movement This book begins with a detailed list of Communist goals straight from the Congressional Record then provides documented accounts of church activity and funding used to aid communist agitators in their pursuit to achieve those precise goals. Many of the goals have already been achieved. It began in 1887, when Josiah Strong coordinated the General Christian Conference to pool Americas churches into one of the most elusive united fronts for communism the world has ever seen. Strongs organization morphed and expanded eventually culminating in the National Council of Churches and the World Council of Churches. Behind the scenes these groups, along with a host of others, founded by politicians and millionaires, have been directing the churchs progressive transformation from one that promotes soul saving evangelism and apostolic training into a mission to advance communism throughout America and the world. This book provides a brief but detailed account of some of the most shocking activities of the communist front organizations that have infiltrated churches in America and around the globe. Also included is a Resolution to get your church out of these hideously deceitful organizations. What we dont know, has already hurt us. This item ships from La Vergne, TN. Paperback.
