All of them are beautiful. Some are easy and some are difficult to control. But with practice, you can get hold of every technique. Most of the techniques give a tie and dye effect. If you can control these effects, you can make beautiful backgrounds and even create beautiful art works through these techniques. These techniques can be used in many different places to give different effects for example making water stream with the help of salt. I am going to teach you different techniques and how you can create beautiful paintings through them. This book contains activities by which you will learn to control your color, brush strokes, and many other things. Here I hope I will be able to transfer as much knowledge as I possibly can in a detailed manner. If you were in a class, I would be open to questions. But that is...
