

Four Point Reading-writing 2 Advanced: 2 (Paperback)

By Lawrence J. Zwier

The University of Michigan Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. The academic reading and writing challenges facing students enrolled at a university are significant. The Four Point series is designed for English language learners whose primary goal is to succeed in an academic setting. The series covers the four academic skills of reading, writing, listening, and speaking while providing reinforcement and systematic recycling of key vocabulary and further exposure to grammar issues. Reading-Writing 2, Advanced , features units containing two reading passages on the same topic within a field of academic study. The exercises accompanying the readings are meant to strengthen a range of reading and writing skills like comprehending details, developing vocabulary, paraphrasing, summarizing, and synthesizing information. Students will read longer, more difficult readings on interesting academic topics that represent an array of classroom interests, and they will write both short and long assignments that can be organized around more traditional writing templates. By addressing the breadth and depth of reading and writing tasks required in academic settings instead of only reading for pleasure or writing for research projects, this volume truly prepares ELLs for the type of reading they will find...
