Reviews

This is the very best book i actually have read till now. It is loaded with knowledge and wisdom I am just easily could get a satisfaction of reading a created ebook.

(Ena Huel)

AFFECT AND ARTIFICIAL INTELLIGENCE

University of Washington Press. Paperback. Condition: New. 200 pages. Dimensions: 8.9in. x 7.0in. x 0.5in.In 1950, Alan Turing, the British mathematician, cryptographer, and computer pioneer, looked to the future: now that the conceptual and technical parameters for electronic brains had been established, what kind of intelligence could be built Should machine intelligence mimic the abstract thinking of a chess player or should it be more like the developing mind of a child Should an intelligent agent only think, or should it also learn, feel, and growAffect and Artificial Intelligence is the first in-depth analysis of affect and intersubjectivity in the computational sciences. Elizabeth Wilson makes use of archival and unpublished material from the early years of Al (1945-70) until the present to show that early researchers were more engaged with questions of emotion than many commentators have assumed. She documents how affectivity was managed in the canonical works of Walter Pitts in the 1940s and Turing in the 1950s, in projects from the 1960s that injected artificial agents into psychotherapeutic encounters, in chessplaying machines from the 1940s to the present, and in the Kismet (sociable robotics) project at MIT in the 1990s. Elizabeth A. Wilson is a professor in the Department of Womens Studies at Emory University. She is the author of Neural Geographies: Feminism and the Microstructure of Cognition and Psychosomatic: Feminism and the Neurological Body. Original and beautifully written. -Lucy Suchman, Lancaster UniversityAn elegantly written, thoroughly engaging, and absolutely compelling history of the role of emotions and affect in thought about, and design of, artificial intelligence. -Robert Mitchell, Duke University This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
