Neoclassical Model
ANDY K. C. CHAN

Re-In Group Limited, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In microeconomics, competition is a key process necessary to bring each individual and the society, as an aggregate of individuals, to the best possible state of being. However, the harmonious notion of the neoclassical model that is based on this conception of free competition stands only by making an implicit assumption that the status quo is always available, that individuals...
