Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from On the Construction of the Permanent Way of Railways, Vol. 9: With an Account of the Wrought-Iron Permanent Way Laid Down on the Main Line of the Midland Railway The subject of the Permanent Way of Railways has latterly occupied much public attention, in consequence of its important influence on the value of railway property, and great efforts are being made to improve the construction, in order to reduce the expenses of maintenance and renewal. It has, however, been difficult hitherto to obtain data from which the actual cost of permanent way, as at present constructed, can be determined, or estimated. In the earlier stages of railway management, contracts were entered into at prices which subsequent experience has shown to have been much too high; whilst the introduction of express trains and heavy engines, rendered necessary certain alterations in the strength and construction of the road, the cost of which should form no part of the current expense of its maintenance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
