Brand New Book ***** Print on Demand *****.Excerpt from The Soul of an Artist: Translated From the Italian of Neera It was a work of duty on my part who derived a great consolation from the reading of this book by Neera - a countrywoman of mine - to put before the translator this true and gentle book. It was a work of generosity on her part to gather the sighs of a lonely soul, to understand them with that intuition which has neither geographic nor moral frontier, and to translate them, so that other lonely souls might also derive consolation. A romance made up of magnetic atoms in the air hovers over this book: a whole honest romance of sadness, conceived, transmitted and put together, to be found expressed in the language of souls, which has only one alphabet. This book of Neera hasy according to my idea, no counterpart but, possibly, Amid s Journal In-time. I shall not say here fully why it appeals to me, neither is it necessary for the translator to do more than to present the book, for it speaks for itself; it will be clear to all those who possess to the highest degree ideality and sentiment, to those for whom common, every-day life is not the last desideratum.
