Aegypan. Paperback. Condition: New. 248 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. The reader should grasp clearly the date at which this book was written. It was done in 1907: it appeared in various magazines as a serial in 1908 and it was published in the Fall of that year. At that time the airplane was, for most people, merely a rumor and the Sausage held the air. The contemporary reader has all the advantage of ten years experience since this story was imagined. He can correct his author at a dozen points and estimate the value of these warnings by the standard of a decade of realities. The book is weak on anti-aircraft guns, for example, and still more negligent of submarines. Much, no doubt, will strike the reader as quaint and limited but upon much the writer may not unreasonably plume himself. The interpretation of the German spirit must have read as a caricature in 1908. Was it a caricature Prince Karl seemed a fantasy then. Reality has since copied Prince Karl with an astonishing faithfulness. Is it too much to hope that some democratic Bert may not ultimately get even with his Highness Our author tells us in this book, as he has told us in others, more especially in *The World Set Free*, and as he has been telling us this year in his *War and the Future*, that if mankind goes on with war, the smash-up of civilization is inevitable. It is chaos or the United States of the World for mankind. There is no other choice. . . . This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
