I cant name five authors I like. I do not know much about Greek mythology, American History, or computer programing. I am not verbose, eloquent, witty, or even a tad bit grammatical. Also, my thin-skin would make me a horrible public figure. But, I love science, Ive got one hell of an imagination, and I want to help make this world a better place. Therefore, in lieu of all my negative attributes, I hope you find enjoyment, on some level, with my attempts to be conscious. This item ships from La Vergne, TN. Paperback.
