*A whole new eBook with a new standpoint. Better than never, though I am quite late in starting reading this one. I discovered this publication from my mom and dad advised this publication to discover.*

**THE GADDI BEYOND PASTORALISM: MAKING PLACE IN THE INDIAN HIMALAYAS (HARDBACK)****DOWNLOAD**

Berghahn Books, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. The Gaddi of North India are agro-pastoralists who rear sheep and goats following a seasonal migration around the first Himalayan range. While studies on pastoralists have focused either on the pastoralists adaptation to their physical environment or treated the environment from a symbolic perspective, this book offers a new, holistic perspective that analyzes the ways in which people make place. Based on extensive fieldwork, this book not only describes a contemporary understanding of the Gaddi s engagement with the environment but also analyzes religious practices and performances of social relations, as well as media practices and notions of aesthetics. Thereby, the landscape in which the Gaddi live is understood as a network of places that is constantly being built and rebuilt through these local practices. The book contributes to the growing interest in approaches of practice within environmental anthropology.
