TREATISE OF THERAPEUTIC MASSAGE TECHNIQUE AND COMPLEMENTARY KINESIOTHERAPY VOLUME 1 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The work covers an important area of the theoretical and practical training needs of the specialist in Balneo-physio-kinesiotherapy, Physiotherapy and Kinesiotherapy, by structuring the material, by detailing methodologies for implementing different categories of massage therapy procedures and by associating a rich illustration. The content of the Treatise is structured logically, opening with specific issues related to the infrastructure of the physical medicine sector, respectively therapeutic massage and associated kinesiotherapy, continued with the general principles that guide the work of staff in the therapeutic massage sector. Through the presentation and organization of chapters, methodologies, concepts and technical processes, the content of the Treatise meets the requirements for training and retraining specialists who practice therapeutic massage, also complying with the syllabus on therapeutic massage prescribed as a therapeutic method, within rehabilitation or prophylactic programs. Through its content, readers receive information on the specificities of the different topographical areas, they are progressively familiarized with physiological and pathophysiological aspects of the organs and tissues involved in massage manoeuvres, learn to follow the physiological and therapeutic effects of various forms of therapeutic massage and find, in an applicative manner, justification for the correlation between therapeutic massage and associated kinesiotherapy. In volume I, chapter I presents the essential criteria for selecting people who want to become masseurs. It also presents the basic concepts that any person wishing to practice the profession must learn and the equipment and facilities of massage rooms. In Chapter II, the author, Anghel Diaconu classifies and gives structured details on therapeutic massage manoeuvres. Chapter III contains general guidance on the proper technique for undertaking therapeutic massage manoeuvre methodologies. Hereafter is a topographic and anatomic-physiological description, followed by the techniques for performing...
