Modern Bonesetting for the Medical Profession (Classic Reprint) (Paperback)

By Frank Romer

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Modern Bonesetting for the Medical Profession For some years past much criticism has been published by the lay papers on the after treatment of bone and joint injuries by our profession. Owing to our neglect of the so-called art of bonesetting many such cases drift into the hands of the unqualified practitioner. About four years ago, in reply to one of these attacks, my friend Mr. Creasy and myself brought out in book form, under the title of Bonesetting and the Treatment of Painful Joints, a series of papers which had originally appeared in the Lancet and British Medical Journal. Brief directions were given in this brochure for carrying out either by manipulation or the electric wave current, a form of treatment we had found useful in cases where recovery from the effects of injury was slow or imperfect. In the present book the treatment by manipulation, or Bonesetting as it is commonly termed, is alone considered, and in addition to the description of the movements, illustrations are given showing the different grips, which are identical with those employed by our...
