Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Once upon a time, there was a piggy.with a comb. Polly is a lovable pig who just wants to do what she loves to do, and would rather play with her dolls than play in the Mud. With the encouragement of friends, Polly ends up starting her very own beauty salon, to help her friends feel unique and beautiful in their own special way. Polly s Pink Piggy Parlor encourages young girls to not only look their best but to discover what their talents and giftings are and develop them.no matter what anybody thinks. For those of you who loved the color version and who love to color themselves, this book will encourage hours of fun. The story itself is highly detailed, and then there are 20 pages of simpler drawings for younger ages, including 20 white pages with idea starters to get your own creative juices flowing. Send me your pictures as I would love to see them and possibly post them and show the world.
