Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Schiffer Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, In the Night Sky: The Astrological Zodiac for Children, Rayne Storm, Explore the basic fundamentals of the Zodiac with children, allowing them to understand all that the night sky has to offer. Through fun trivia, puzzles, prose, and challenges, this refreshing workbook provides hours of educational play that can be revisited over and over. Children will be helped to make sense of the influences that surround every one of us. For each of the 12 Astrological Zodiacs there are corresponding aspects in different areas like: their element, planetary ruler, color, stone, and motto. Even the placement of each Zodiac has significance, as it was once used as an Astrological calendar. In the Night Sky focuses on learning to recognize the constellations and their aspects, hearing more about their stories, and finding how they came to be and the lessons that they teach.
