The Affluent Connection, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. NEMESIS ULTIMATE RETRIBUTION. Retired SAS Captain Guy Warwick would never have believed that his reaction to a TV news item would change not only his own life for ever, but also the lives of every man woman and child on the Planet. The Newsreader s face was emotionless as he spoke the words written on the autocue. Malcolm Dibley, the 43 year old man who brutally raped and murdered 14 year old paper boy Jason Williams last November, was freed by an Appeal Court Judge at the Old Bailey yesterday. Lord Justice Donovan overturned the original sentence because of a legal technicality raised by Dibley s Lawyers. Guy Warwick sat motionless. He had heard nothing more the Legal Correspondent had said, except that Dibley had got off on a technicality with the vicious rape and murder of an innocent young paperboy. It was the final tipping point. Suddenly he let out a roar. How can that have happened? Tell me, how can that possibly have happened here in Britain today? Nemesis Ultimate Retribution is a unique, fast paced novel packed with gripping action that takes the reader from the present moment back to the dawn of time when humankind first arrived on Earth with their alien keepers. Things went badly wrong with the experiment all those millennia ago and what ensued was both tragic and terrifying for mankind and the aliens alike, setting the scene for how the World and humankind would eventually evolve. From the events that took place in pre-history the story then returns the reader to the present time, where Guy Warwick personally ensures justice is meted out. The story then changes gear again at a luxury resort..
