Reviews

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.
(Jamarcus Runolfsson)

1,100 DESIGNS AND MOTIFS FROM HISTORIC SOURCES (DOVER PICTORIAL ARCHIVE)

Dover Publications, 1995. Paperback. Condition: New. 0486287300 Well-known in the Victorian art world for his award-winning ornamental designs, John Leighton decided to provide contemporary artists and artisans with a rich sourcebook of ideas and inspiration to use in developing their own designs. Entitled *Suggestions in Design*, the book featured an enormous array of designs and motifs from many cultures and times. The present volume contains all 102 plates from that rare 19th-century compilation. Included are more than 1,100 motifs painstakingly adapted from a host of design traditions: primitive tribal art and pottery; Egyptian sculpture and painting; Assyrian wall sculptures and carved ivory; Greek sculpture and terra-cotta vases; Etruscan painting, bronzework, and jewelry; Pompeian architectural details and mosaics; designs from Chinese, Japanese, Indian, Persian, Moorish, French Renaissance, and other sources. Careful reworkings rather than exact copies of original designs, these motifs were meant to guide users in creating their own versions of decorative ornament. Reproduced from a valuable original printed in 1881, this book includes detailed descriptions of the plates. It represents a highly useful source of beautifully rendered, copyright-free images that will be welcomed by artists, illustrators, craftworkers, and countless enthusiasts of the decorative arts. 128 pages. Leighton, John, 1822-1912--Themes, motives, Repetitive patterns (Decorative arts), Decoration and ornament--Plant forms, Decoration and ornament--Animal forms.
