Autumn Leave: A Season in France (Paperback)

By Michele Guinness

Authentic Media, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Michele Guinness and her husband always believed they would live in France one day - but were amazed when a series of minor miracles made it possible to buy a house in the Limousin. In this frank and funny account of their ups and downs, based on Michele's diary of her husband's three-month sabbatical, we meet a host of extraordinary characters as she pursues the truth behind some of the hamlet's tortuous relationships, and meets the beleaguered French church. Setting up a new home, living in a different culture, and adapting to rural life was more stressful than she could have imagined. So was the local feuding, the potentially expensive legal wrangling, the moral dilemmas about owning land with their more furry neighbours. A Year in Provence meets Finding Sanctuary. Fabulous insights into creating a new life and church - without being preachy. Excellent story-telling. You can almost smell the hot croissants, fresh baguettes, wonderful cheeses and good red wine - as well as feel the pain of a struggling Christian community and laugh and cry at the DIY attempts. Classic page-turning Guinness!...

Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Tara Jerde

I just started out reading this ebook. We have read and so I am certain that I am going to go back and study yet again in the future. I found out this book from my dad and I encouraged this publication to find out.
