A Portrait of the Artist as a Young Man (New edition)

By James Joyce, Jacqueline Belanger, Keith Carabine

Wordsworth Editions Ltd. Paperback. Book Condition: new. BRAND NEW, A Portrait of the Artist as a Young Man (New edition), James Joyce, Jacqueline Belanger, Keith Carabine, With an Introduction and Notes by Dr. Jacqueline Belanger, University of Cardiff. A Portrait of the Artist as a Young Man represents the transitional stage between the realism of Joyce's Dubliners and the symbolism of Ulysses, and is essential to the understanding of the later work. This novel is a highly autobiographical account of the adolescence of Stephen Dedalus, who reappears in Ulysses, and who comes to realize that before he can become a true artist, he must rid himself of the stultifying effects of the religion, politics and essential bigotry of his background in late 19th century Ireland. Written with a light touch, this is perhaps the most accessible of Joyce's works.
