

Tropical Medicine and Hygiene, Vol. 1 of 3 (Classic Reprint)

Filesize: 2.79 MB

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

TROPICAL MEDICINE AND HYGIENE, VOL. 1 OF 3 (CLASSIC REPRINT)

[DOWNLOAD](#)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tropical Medicine and Hygiene, Vol. 1 of 3 The exigencies of tropical practice require most medical men to be practical sanitarians as well as clinicians. It is with this in view that in the present work, while due attention has been paid to the clinical features, treatment and nursing of tropical diseases, special prominence has been given to their etiology and prevention. Owing to the recent advances in the knowledge of the etiology of many tropical diseases the subject of their prophylaxis is a very promising one, since the general principles on which efficient and economical preventive measures should be based are now well understood. In the application of such general principles local conditions must be carefully considered, and thus in describing the various methods to be adopted those suitable for certain localities have been given as types. In the spread of many tropical diseases intermediate hosts play an important part, and the life-history of such hosts, often insects, has been considered at some length, as a knowledge of this subject is essential to the proper understanding of the rationale of the preventive measures proposed. An attempt has been made to group the diseases treated of according to their known or probable causation. Thus, in the first part those diseases are dealt with which, like Malaria, are known to be due to Protozoa, and others, such as Yellow Fever, which are probably due to such organisms. In the second part diseases due to the higher forms of animal life are considered. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
