Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *The Location of Site of Breen Cabin: General C. F. McGlashan, Donner Party Historian, Declares Present Pioneer Monument Covers Exact Spot Where Hut Stood* When I first learned the location, the print of the foundation logs was distinctly visible, the fireplace remained intact, and about four feet from the northwest corner of the site of the cabin stood a jagged stump about eight feet high. I personally began excavations of the site, taking care to examine every shovelful of earth myself. The relics exhumed by myself, or in my immediate presence by workmen whom I employed, most positively established the correctness of the identifications of the Breen Cabin. The character of the identifications supplied by the relics discovered is illustrated by the following quotation from the *History of the Donner Party*, page 258.
