AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Angels Watching follows the unlikely pathway of a shy little country girl from a small town in Indiana as she breaks out of the mold in which life has placed her, becomes the first of her family to go to college, follows a call to mission, greets life s joys and weathers its sorrows with faith, tenacity and wit, and continues to welcome new challenges as she approaches her eightieth birthday and looks forward to her one hundredth. With humor and reverence she tells of growing up poor in a large family where dysfunctional was normal - but where love, loyalty, hard work and ingenuity won out. She tells of her first angel sighting as a young child, and of many times throughout her life when she knew that angels were watching over her.
