Northumberland, Bearing the Rear-Admiral s Flag The M. S. from which this Extract has been printed, was found, in his own handwriting, among the papers of my late father; attached to it being a note, also in his own handwriting, to the effect that it is a reproduction of a copy found at St. Helena, in 1824 or 25, among the effects of one who had held an official position as Admirals Secretary or Captains Clerk on board the Northumberland on her voyage to St. Helena, where he died, and who had no doubt made it as a matter of pardonable curiosity and satisfaction for himself; and it is now published in the belief that its intrinsic interest, as closing a gap in the later career of the great soldier, will be deemed sufficient excuse for its seeing the light.
