Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Educational Aspect of the United States National Museum On the other hand men equally as learned say What is the use Of writing books for nobody to read? If you stir up a love for these things in the public, will they not fill your mill with grist, build your cases for your study series and give you money to perfect your work? And so the battle has been fought for you while you were being born and nourished, and the public are now freely invited to share the joy of the naturalist. In the field of natural history the students of Johns Hopkins University do not need to be told by me that human ingenuity has exhausted itself to devise ways of showing to the eye the processes Of nature by means of pictures, microphotographs, dried and alcoholic Specimens, casts, and models in wax, paper or plaster. The ontogeny of many species, the classification, the variations, the result of all the forces which combined constitute environment, comparative anatomy and evolution of form, are beautifully set up in our great...
