Reviews

This is basically the very best book i have read right up until now. It is definitely simplistic but excitement in the 50 % from the ebook. Your daily life period will likely be transform as soon as you total reading this article pdf.

IN SEARCH OF GOD

Xulon Press. Paperback. Condition: New. 122 pages. Dimensions: 8.4in. x 5.5in. x 0.4in. Truth is stranger than fiction Do you find the Bible to be a bit dull and boring Or is it just confusing Are you always asking questions, but never finding answers Why is God invisible Is He hiding from us Or is He just playing a cosmic hoax while humanity is left to grapple in the dark Were Adam and Eve really embarrassed because they were naked Or was there something else they were trying to cover up Why would an omnipotent God go searching for mere mortals Could the answer be found in modern physics At one time in history it was dangerous to be a Christian but now it seems to be en vogue. Has the modern church widened the narrow road that leads to life While nobody can take issue with Jesus magnificent sermons on love or His compassionate works of healing, what about those volatile moments when He cursed a fig tree or flipped tables over in a temple Pearly gates Streets of gold A mansion in the sky Is that a description of heaven or of the Vegas Strip If reality is a two-sided coin, with both physical and spiritual dimensions, then shouldnt we recalibrate our way of looking at things How can we understand what is happening in the visible universe until we first understand what is going on in a parallel, invisible universe By unlocking deep, spiritual mysteries embedded in the Bible, In Search of God; decoding reality will shatter the old paradigm which is nothing more than an illusion constructed by our five senses. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
