Head of Zeus. Hardcover. Condition: New. In 1933, Adolf Hitler became Chancellor of Germany. A year later, all parties but the Nazis had been outlawed, freedom of the press was but a memory, and Hitler's dominance seemed complete. Yet over the next few years, an unlikely clutch of conspirators emerged – soldiers, schoolteachers, politicians, diplomats, theologians, even a carpenter – who would try repeatedly to end the Fuhrer's genocidal reign. Danny Orbach's meticulously researched book tells the story of their noble, ingenious, and doomed efforts. This is history at its most suspenseful: we witness secret midnight meetings, crises of conscience, fierce debates among old friends about whether and how to dismantle Nazism, and the various plots themselves being devised and executed.
