MAKE ME BEAUTIFUL - A MEMOIR (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Take this journey through the life and times of Pamela Lundy, an African-American Baby Boomer from Detroit, Michigan. Her intriguing, impactful story spans over five decades of time. Her parents were divorced when she was very young, and her mother was denied visitation of her children. Subsequently, Pamela was left feeling unwanted and unloved. Her workaholic father took her and her five siblings to live with his parents in their overcrowded home. They became lost somewhere in the shuffle. It was there that she and her siblings were violated and became the frightened, fragile, voiceless victims of incest. Left carrying a boatload of baggage, guilt and shame, Pamela refuses to fade into the background. Though the survivor in her emerges, the traumatizing experience stays with her throughout most of her lifetime. She suppresses her feelings and attempts to hide her dirty little secret behind attaining and maintaining the outer image of beauty. Time after time, in desperation she attempts to capture it. Walk through her times of childhood bliss, those days of pony tail wearing, hop scotch playing and penny candy eating. Get a feel for the 1950 s and 60 s smoke-filled beauty shops as the pressing comb works its transitional magic converting Black women s hair from kinky to straight. Learn the plight of this Black woman s attempt to replicate the images of the Caucasian women which graced the covers of popular magazines, the ones that set the standard for what was deemed as beautiful. March through the times of civil unrest and experience a revolution in America. Read about Pamela s personal encounter with racial prejudice, after which she develops a clear perception of the magnitude of the...
