CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 458 pages. Dimensions: 8.0in. x 5.2in. x 1.1in. Sex and drugs (and beer) and rock and roll - who would have thought that enlightenment could be so much fun. Join Trip Ardor, and the rest of the world, as they head into the league of Ascended Masters, with a party (or at least a beer) around every corner. Trip is heading back to the mountains to fulfill an urging within for that something missing in his life. He finds that something, plus a whole lot more in the mysterious San Luis Valley in south-central Colorado. Suddenly, through universal love, he finds himself in possession of his full powers, including instantaneous manifestation, manipulating matter, and bi-locating. Trip uses these powers for the greater benefit of all. But there are those who do not want him to have these powers and spread them to others. He is hawked by men in black suits, beings with advanced technologies, and an assortment of shady, subversive types. No matter, nothing can touch him. On an excursion around the country Trip makes stops at NORAD, HAARP, an unscheduled meeting at the White House with President Blather T. Shullbitter and Vice President Richard Wad, a revival featuring the Reverend Billy G. Cracker, Roswell, White Sands, and Area 51, where he plays supernatural games with those he encounters. Nothing escapes Trips love for the planet and humanity as he deals with chemtrails, low frequency active sonar, drivers on their cell phones, deforestation machinery in the Amazon, local Authorities with their limiting rules and laws, and so much more. His powers are passed on to others with open hearts and minds, and the planet rapidly fills with billions of beings fully empowered through love. Be there. Contact..
