

The Trouble with Tessa

By Ofelia Dumas Lachtman

Pinata Books, United States, 2005. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. The trouble with you is that you have a wild imagination, people tell Tessa. So what if she calls herself Athena, the goddess of wisdom and a woman of the twenty-first century? It's that wild imagination that will make her a good writer. When Tessa finds yellowing pages torn from a book in the bottom of a beat-up trunk in a musty attic filled with cobwebs and junk, she realizes what she's found: directions for magic spells. It was no coincidence that she found the sheets, Tessa decides. She has the power. When Tessa's diary with the magic spells disappears, she panics. What good is a witch without her spells? When she recovers her diary, she even makes a new friend. Again, Tessa believes her life is charmed. Tessa's developing powers hit a roadblock, however, when she casts a spell that she wishes she could take back. Suddenly, everything's changing, and Tessa fears that her secret powers are spinning out of control. When Tessa's reversal spell doesn't work, Tessa must rely on her friends...

Reviews

A fresh eBook with a brand new standpoint. It can be really exciting through looking at period of time. I am delighted to inform you that this is the greatest book I have read through during my individual existence and may be the very best publication for ever.

Thorough guideline! It's this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
