Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Children of the Dawn: Old Tales of Greece The aim of this volume is to present, in a form suitable for young readers, a small selection from the almost inexhaustible treasure-house of the ancient Greek tales, which abound (it is needless to say) in all Greek poetry, and are constantly referred to by the prose-writers. These stories are found, whether narrated at length, or sometimes only mentioned in a cursory and tantalising reference, from the earliest poets, Homer and Hesiod, through the lyric age, and the Attic renaissance of the fifth century, when they form the material of the tragic drama, down to the second century B.C., when Apollodorus, the Athenian, grammarian, made a prose collection of them, which is invaluable. They reappear at Rome in the Augustan age (and later), in the poems of Vergil, Ovid, and Statius - particularly in Ovid's Metamorphoses. Many more are supplied by Greek or Roman travellers, scholars, geographers, or historians, of the first three centuries of our era, such as Strabo, Pausanias, Athenaeus, Apuleius and Aelian. The tales are various - stories of love, adventure, heroism, skill, endurance, achievement or defeat. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
