

Developmental Psychology and You (Hardback)

By Julia C. Berryman, Pamela K. Smythe, Ann Taylor-Davies

John Wiley and Sons Ltd, United Kingdom, 2002. Hardback. Condition: New. 2nd Edition. Language: English . Brand New Book. What makes you the person you are today? How does a baby perceive the world? Is the person without love damaged forever? What can psychology tell us about the differences between the sexes? Discipline? Delinquency? Adolescent fads and fashions? Marriage and parenting? Ageing and later life? Developmental Psychology and You is a lively and accessible introduction to the psychology of human development. The authors, who all have extensive experience in teaching and research, have selected topics that will appeal to new students of this subject and have presented them in a way that demonstrates their relevance to everyday life. The fully revised second edition includes a new chapter on gender development and gender differences, while the material on adult life and growing older has been expanded. New material has also been added on: Developmental stages Cultural variations Early social interactions The measurement of intelligence Vygotsky s theory of cognitive development. As in the previous edition, the style and design of the text are accessible and user-friendly; key concepts are highlighted throughout, and each chapter contains objectives, exercises, self-assessment questions and recommendations...

Reviews

This ebook will not be simple to start on looking at but really enjoyable to read. It is one of the most awesome book we have study. Your life span is going to be transform when you complete looking over this pdf.

-- **Kayla Gutkowski**

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
