

How To Screw Up Five Lives in One Easy Lesson

By L. M. S Steen

Paperback. Condition: New. 100 pages. The process by which One selects a mate is usually considered to be random. However, as in the case of one Miss Maggie Freelove Westcott, there can also be random strikes by a guardian angel. At fifty-nine and divorced for many years, all Maggie wanted was to continue her education in music and art, not men. However, one particular guardian angel was so desperate that he grabbed the only thing available: Maggie. A mix of generations and laughter, the story starts on campus at the Brigham Young University in Provo, Utah, and ends in a cabin outside of Park City. In her attempt to escape fate, she tries to snowboard the cabins cutoff with disastrous results. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
