Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Is your wife pregnant? Is your sister or daughter pregnant? Yes? Then this is for her (and the Dad-to-be as well!) . This charming book features the delightful cartoons of Eggbert, the unborn baby who speaks from the womb. His twin sister Eggberta is here too and both will entertain any pregnant woman from the viewpoint of her unborn baby Yes, **EGGBERT IS BACK AGAIN!** And this time he is advising the male parent-to-be on solving such perplexing problems as: what to do when she demands cucumber sandwiches at 3:00 A.M., how to fortify yourself for the long stay in the hospital waiting room (don t forget your copy of **PLAYBOY!**), how to handle your paternal privileges in the pre-dawn hours (like the two o clock feeding!), and a lot more. Eggbert will show you how to cope with these, and all the other snares that lie in wait for your unsuspecting feet along the booby-trapped road from Count-Down to Splash-Down. There s also plenty of room in the back of the book for the Dad-to-be to take notes when all his well-meaning friends part with their own words of wisdom. This 2nd edition is a faithful reproduction of the original published in 1970 with all of the original cartoons in a brand new publication. Wishing all Dads love, joy, and quiet nights and we provide this book as forever proof that humor is the best medicine in the world.
