### **Reviews**

*Completely one of the best publication I actually have ever study. I really could comprehend almost everything out of this written e publication. Your daily life span will likely be change as soon as you total reading this publication.  
(Prof. Adolph Wisoky)*

**BLACK WHITE - A.D.K. 1 - SOFFRITTO (PAPERBACK)**

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I am Italian, from Genova, the major seaport of the Mediterranean Sea and what I am writing regarding Italian cooking is of first hand, coming straight from my family s tradition and from my heart. My Mom Zita and My Grandmother Nina taught me all their abilities to cook Italian traditional style since I was a child. In Italy not only housewives but, when many guests are attended, also the strong men cook and I still remember when my Nonno Pierin was making kilos of fresh fettuccine adding some white wine to the dough, while smiling to me: I will never forget his joyous blue eyes. Today the families daily meal tradition is taken away from us, we don t cook anymore to enjoy our time with our families, and this is a pity: the hours passed all together at the table is the bound between all the components of a family, where the sharing of emotions mix with the taste of the foods. My books are sold worldwide and in order to make them easy to understand, I wrote the text in my humble English and in my own words, this with the purpose to transfer my emotions and my intents to your heart: I want to make you to feel the same love which I feel while cooking. The ingredients are sustaining our lives, I kindly ask you to always respect and love what it is inside your pot. This book is based on my personal opinions and my expertise coming from my family cooking skills. I wrote this book, along with other books about the Italian traditional cooking style, because I want to share the Italian cucina casalinga secrets...
