Beasley, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Obama is failing both Domestically and Internationally. But will he have a great legacy? He will and the US Press is determined to ignore the facts to make sure his legacy is awesome! This is an easy to read book and should be a tool used to shutdown Kool-Aid drinkers on the left. I spent 2 years compiling data from sources such as BLS, CBO, SNAP, etc. and present it in a way that almost anyone can understand. Questions we address: What was the average unemployment during the terms of the last several President? How much did each add to the National Debt? Why is voter fraud rampant and growing in the USA? Why is it illogical to think ACA can work? Is Obama aiding Iran in it s quest to dominate the Middle East; and isolating Israel in such a way the ensures a major war in the future? Why do some politicians like Condi Rice and Allen West avoid yelling racism ? And why it s obvious Obama never learned that lesson? And many more. I take quoted statements made by Obama, Clinton and others, and then use data to destroy them and to show how they are purposefully deceiving the public; and how the media is complacent in the lies. I realize that nobody, except maybe accountants and actuaries, have a desire to rifle through spreadsheets of data. So I did it for you, and created charts that are simple to understand. I created the cover myself although I am certainly not a graphic artist. The top half of the cover shows rainbows, unicorns and butterflies. This represents the electorate in Nov 2008. The bottom half is separated from...
