Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Russo-Turkish War, Vol. 1: Including an Account of the Rise and Decline of the Ottoman Power, and the History of the Eastern Question It is to the enterprise of a Frenchman, M. De Lesseps, warmly supported by many of his country men, that is due the great undertaking of modern times for uniting Europe with India and Australia by means of a sea canal cut through the Isthmus of Suez. The French have long had a hankering after Egypt. In the reign of Louis XIV. The philosophic politician Leibnitz drew up a paper recommending to the king a conquest of Egypt, from which he anticipated immense benefits to mankind, and especially to France. The memoir was seen by few, but doubtless was known to Napoleon I., who carefully studied it, and endeavoured to put it in practice. His disappointment at the ultimate failure of his plan of conquest is said to have drawn from him the complaint that his life was une carriere manquee, a wasted career. The prevailing idea of Leibnitz was that the introduction of a...
