Benecton Press. Paperback. Condition: New. 194 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. Debt Relief for the Hidden Costs of Excuses People lose their homes because they made foolish purchases they couldn't afford, but we blame greedy lenders or the government for insufficient regulation. The price of gas is going out of sight, but many of us won't blame Congress for restricting oil exploration or ourselves for driving gas-guzzler vehicles. When our kids don't do well in school, we blame government schools or the teachers. The poor blame their poverty on the rich. If we don't advance in our careers, it's our boss's fault. If we get divorced, it's the spouse's fault. American prisons are stuffed with criminals, but many Americans say prisoners are victims of racism or the justice system. Check any news outlet, on any day, and you will always find somebody in the news making excuses and placing blame in the wrong places. How did we come to this? How did we develop a culture of knee-jerk blaming the victim and excusing the villain? I think the cause emanates from an excuse-making character flaw in a growing number of Americans. We even make excuses for others because it relieves our guilt over our own flaws. It's called political correctness. Dr. Bill Klemm, a prominent university neuroscientist at Texas A and M University, tackles these issues head-on in his provocative new book, *Blame Game. How To Win It*. Excuses are costly: 1) others see our excuses for the weaknesses they reflect, and 2) failure to recognize our excuses prevents us from addressing the weaknesses that cause them. *Blame Game*'s focus is on debt relief for the hidden costs of making excuses. Dr. Klemm lays out a five-step program for...
