An annual event in every elementary-school classroom is the taking of the group portrait. Here, the kids are made up of buttons and bits of string, cardboard, feathers, grommets, and such, and are a pretty disheveled lot before Glue (late; stuck in traffic ) arrives to sort everyone out and settle everything down. An imaginative invitation to seeing, to creative crafts, to story-hour performance.

## Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
