You are about to embark on a journey that will take you into a world of actions and words that will likely call into question the very manhood you thought was secure. Welcome to the world of Manfractions! What is a Manfraction? It s an amalgamation of two words: Man and Infraction. We all know what a man is (or should be). He s strong, he s virile, he s confident, he s not afraid to take a stand. He works hard and plays hard. He watches sports on TV. real sports like boxin and football (not that sissy European futbol either). He scratches when and where he wants to, he smokes cigars, drinks beer and doesn t take crap from anybody. He is self-reliant, rational and always ready. He changes his own oil and owns a firearm. He has his own tool belt and air compressor. He can weld two pieces of metal together. He s the kind of guy we all want to be! Infraction is basically a violation of an established set of laws. you know, breakin the rules. Now put them together and you have Manfraction: any action taken by a man that might be considered an infringement of manhood. That s right, you ve done or said somethin that makes the others around you question your manhood. You ve committed a violation so heinous that your buddies are wonderin why you re not wearin a skirt. So, you think you re a real man? You think you ve got what it takes? This book is gonna show you just how unmanly we ve become. Every minute of every day, we re surrounded by Manfractions. they are everywhere!...
