

## Periodic Tales: The Curious Lives of the Elements (Paperback)

By Hugh Aldersey-Williams

Penguin Books Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. The phenomenal Sunday Times bestseller Periodic Tales by Hugh Aldersey-Williams, packed with fascinating stories and unexpected information about the building blocks of our universe. Everything in the universe is made of them, including you. Like you, the elements have personalities, attitudes, talents, shortcomings, stories rich with meaning. Here you ll meet iron that rains from the heavens and noble gases that light the way to vice. You ll learn how lead can tell your future while zinc may one day line your coffin. You ll discover what connects the bones in your body with the Whitehouse in Washington, the glow of a streetlamp with the salt on your dinner table. Unlocking their astonishing secrets and colourful pasts, Periodic Tales is a voyage of wonder and discovery, showing that their stories are our stories, and their lives are inextricable from our own. Science writing at its best. A fascinating and beautiful literary anthology, bringing them to life as personalities. If only chemistry had been like this at school. A rich compilation of delicious tales Matt Ridley, Prospect A love letter to the chemical elements. Aldersey-Williams is...
