Berg Publishers, UK. Softcover. Book Condition: New. First Edition. Available Now. Book Description: Should the law be praised or cursed for what it has done to the American Indian?Using American legal history, politics and jurisprudence, this study considers the degree to which American courts have maintained their autonomy and withstood political pressure, when the sovereignty and property rights of Native American tribes were at issue.In 1879, a chief of the Ponca tribe, when released from military custody by an order of a U.S. district court, pronounced the use of law "a better way" to redress Indian grievances. This study explores the development of legal doctrine affecting Native American tribes by courts and commissions in the United States beginning with seminal court cases of the early 19th century and continuing through to the 1980's. Whether the law ever was a better way for Native Americans is a question of fundamental importance not only with regard to the rights - or even the survival - of American Indian tribes but also with respect to the claim of the American legal system to be equally fair and just to all groups in society regardless of their economic and political power. : About the Author: Petra T. Shattuck and Jill Norgren Size: 13.6 x 1.2 x 21.6 cm. 256 pages. Quantity Available: 1. Shipped Weight: Under 500 grams. Category: Business, Finance & Marketing; Law. ISBN: 0854963421. ISBN/EAN: 9780854963423. Inventory No: F202-1191.
