Filesize: 7.79 MB

Reviews

This publication is definitely worth purchasing. Yes, it is actually engage in, nevertheless an amazing and interesting literature. You can expect to like just how the author write this publication.

(Odie Dicki)

THE PILGRIMS: THE PENDULUM TRILOGY BOOK 1 (PAPERBACK)

Quercus Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. The first book in the Pendulum Trilogy, a visionary work of imaginative fantasy from one of genre fiction s most exciting new voices.Eric Albright, a twenty-six-year-old unemployed journalist, and Stuart Casey, a homeless old drunk, fall through a door in a graffiti-covered wall into the strange world of Levall, where a mountain-sized dragon with the powers of a god lies sleeping beneath a great white castle. Here they are the otherworlders, Pilgrims, and their lives are never going to be the same again. In the castle the sinister Lord Vous rules with an iron fist as the Project, designed to effect his transformation into an immortal spirit, nears completion. But Vous growing madness is close to consuming him, as is his fear of the imaginary being named Shadow . And the arrival of the otherworlders in Levall is about to lend substance to that fear. No one has ever seen what lies beyond the impossibly vast Wall that divides Levall, but the Pilgrims possess powers strong enough to break it down. If they do, what will enter from the other side? Will Elliott s brilliantly subversive and creative imagination twists the conventions of the genre to create an unforgettable alternate-world fantasy. The Pilgrims is no ordinary alternate-world fantasy: Will Elliott s brilliantly subversive and creative imagination twists the conventions of the genre for an unforgettable, visionary experience.
