## The Evolution of the Christian Religion in America: Christianity at the Crossroads (Paperback)

By Richard Castagner

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book provides an important look at the history associated with the Catholic Religion in America. It is broken into six parts: the early history of world religions, the world and the American history of Christianity, the current state of American Christianity, and the future of Christianity in America and the world. So what is an accurate spiritual picture of America today? In the history of the world, there have been only two nations that have been founded entirely upon a monotheistic religion: Israel and America. In examining the history of both nations, there appear to be many parallels, namely that both nations were settled by those freed from a land of slavery and oppression, both were founded by a set of ideals based upon the Rule of Law rather than the rule of men (or kings), and both were greatly blessed and soon grew incredibly prosperous. However, after achieving vast prosperity, both nations became deeply divided between the pagans (or seculars) and those that held to the faith and principles of their founders. After being divided, both lost their place of..
