## GAY MEN S GUIDE TO LOVE AND RELATIONSHIPS (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. \*\*\*Completely updated in May 2017.\*\* Gay men are entitled to have good, healthy friendships and good, healthy relationships. This book addresses the struggle that gay men have to just find safety in home, employment and relationships. It also focuses on the different needs gay men have, as individuals and as a group. Gay men have often been perceived as damaged goods and therefore often act out in self-abusive ways by choosing inappropriate or unavailable men to date or befriend. This book helps identify personality characteristics or behaviors that get in the way of successful relationships. We all need to take responsibility for what we bring to the relationship, and be totally conscious of what the other man also brings to the relationship. So this book is about working at being conscious; conscious of our own behavior and needs, and conscious of other s behavior and needs. There are also poignant thoughts and quotes of other gay men in successful relationships to those who might benefit by their wisdom and experience. Many suggestions are quoted in this book too, from other gay men as to how to seek out a healthy date or potential partner. This book will help guide you to look at you and others, to help lead you to the kind of friends and relationships that will enrich your life, and make you thrive and grow.
